Art&Story of 4 God Ranger

The King of Angels  
Leader of Golden  
Dragon Clan  
Duke Huang Bo

Ah...  
After awaiting my death for so long...

Now that death is at my door I leave with regrets and fears...

You will all have to help Bu-Yang protect this world...

We are beings who transcended life itself

We no longer have a place in the flow of life.

Remember that should instance of life comes to an end...

That marks the end of our existence as well...

Ahhh...

My time is arriving...

My Dokkeshi Golden Dragon Sword  
has been with me for as long  
as I can remember.

Spirit contained here can be  
switched to no other Dokkeshi...

There are many Sages who  
live after this sword.

So I entrust my Dokkeshi  
into your hands...

The Shards to my beloved  
Ba-Yoon...

○  
└─

The Shards to my KUNYA  
Mina...

○  
└─

Shards to my love, the  
Hikari...

○  
└─

And Bob-To you will have the  
Locket...

○  
└─

Until it is time to reunite  
them I pray yet again that  
you will keep them safe.

Kugghaaaaak!!!

Bek-To

What... Happend?

Bro?!

My Vessel Form?

Byakko we'll borrow your vessel for a second.

Why do you need Byakko's vessel?

Hmm?

Is it that?

We can't interfere with the flow of life you-?

We can't go to them like this can we you-?

We need Byakko's vessel for initial contact

Why not?

We're getting your friends you-?

The stages have started to move we need his strength.

Now let's go you-?

If a fight breaks out we need to use him as bait standing in front of us.

Since here Byakko's vessel even if we can't control his spirit at least he can act as a decoy should for us

My Hui-Bloom is being used as a metal shield.
